WHAT IS A CHRISTIAN MIND?

<https://bible.com/events/101773>

THE MIND
is the soul's vehicle for contact with God.

<https://bible.com/events/101773>

A CHRISTIAN MIND
is NOT a reaction to what this ages expects of us.

A CHRISTIAN MIND
IS a response to what God has done for us

<https://bible.com/events/101773>

A CHRISTIAN MIND IS NOT:

- ④ Any thinking done by Christians
- ④ Any thinking that is simply binary - "yes", "no", "right" or "wrong"
- ④ Any thinking that presumes "conservative" or "liberal" alliances
- ④ Any thinking that recites jargon without surrender
- ④ Any thinking that simply asserts "right theology" / doctrine
- ④ Any thinking that sees an emphasis on the Christian mind being solely for the intellectually bent

VIGOR (experience) and RIGOR
(intelligence) are not mutually exclusive

<https://bible.com/events/101773>

EXPERIENCE over INTELLIGENCE
leads to narcissism.

INTELLIGENCE over EXPERIENCE
leads to legalism.
