

Minnesota Healing of Memories

Healing of Memories Mini-Workshop

There's a chair for you

Everyone has a story to tell and every story needs to be heard, acknowledged and respected. This is the first step to personal healing as well as healing of interpersonal relationships.

The mini-workshop is for those who have experienced or witnessed trauma. The 3-hour workshop is an introduction to the 2-day Healing of Memories workshop and offers the experience of using art and storytelling to take the first step in personal healing. The workshop is also for professionals who work with those who have suffered trauma to experience how the process can benefit their clients on their healing journey to move forward with renewed hope.
