

Golf and support a great cause!

Just being part of a team again gives us a great sense of pride and accomplishment. Being on the court, playing soccer helps the athletes realize that being in a wheelchair is not an excuse for not achieving their goals. This June, we are traveling to Fort Wayne, IN to bring the USPSA National Championship back to Arizona. But we need your help.

While team registration fees will cover some expenses, we are trying to raise additional funds to cover additional travel and housing expenses. To help pay for the expenses for this year's national tournament, we are having a benefit golf tournament on April 10, 2016 at the Southern Ridge Golf Course.

So with the help of the tourney, we are asking for any donations or sponsorship you are able to give. If you are interested in donating, please make checks payable to AZDS. We are a 501(c)(3) organization and any donations are tax deductible; our ID number is 86-0643471.

Any bit will help and would be greatly appreciated. If you would like to learn more about power soccer, visit the power soccer website www.powersoccerusa.net.

2016 AZDS Power Soccer Benefit Golf Tournament

AZDS Power Soccer Golf Tournament

Be a Tournament Sponsor!

If you are interested in becoming a sponsor, there are maroon and gold levels available. Here is what each level offers:

The Sport of Power Soccer

The main objective of the sport is very similar to regular soccer. The teams are comprised of three players and a goalie and games are played on a basketball court. The idea is to move a large soccer ball down the game court by dribbling it or passing it to your teammates and roll it into the goal. After a few games, it doesn't take long to fall in love with the sport. All players play in several tournaments and strongly encourage anyone with a disability to try out power soccer.

Please list all the members of your foursome.

Player 1: _____

Player 2: _____

Player 3: _____

Player 4: _____
