

# Victor Wainwright

## Simple Checklist

Victor Wainwright and Blues Pros are committed to providing our clients and patrons with a professional, unique and compelling performance. Victor does have a technical rider, but this is a lot easier. So, feel free to use the checklist below. We hope you understand that in order to achieve the standards we've established, we ask that the following be agreed upon prior to Victor's performance.

### SIMPLIFIED GENERAL REQUIREMENTS

- Victor prefers to arrive between 1 and 2 hours ahead of start time. Please make sure you've provided load in, sound check and performance times and that they are stated clearly in the contract.
- Sometimes the band will want guest passes for family and friends. Please allow for up to 5 guests and 3 backstage passes, if applicable, for each performance.

### DRESSING ROOM & HOSPITALITY(FOOD/DRINKS)

- Please provide a clean, private and secure dressing/green room, preferably with toilets and showers.

*If you would like the band to be extra happy before they go on, please provide the following:*

- Medium sized private bottle of Chilled Fireball Whiskey or Jameson Whiskey
  - Assorted Sandwich plate
  - Fresh fruit or vegetable plate
  - Assorted Bags of Chips
  - 12 Pack Diet Coke with Ice and Cups
  - 12 Bottles of Ice Cold Non Carbonated Water
- \*\*If a meal has been agreed upon in the contract, the band would prefer the following; BBQ or Fried Chicken with 4 assorted large sides; No seafood please. Menus are fine but NO BAND MENUS. The band will usually prefer to take food back to the hotel, so please make arrangements and do not allow the kitchen to close before the band has ordered.

### HOTEL (VERY IMPORTANT)

- Victor will require at least one king-size bed. Please double check your arrangements with the hotel. Hotel must be of "Holiday Inn" quality or better for the night of the engagement; "**Marriott**" chain preferred. Please, no hotels named after fictional mid-evil characters and or Dead Sea Captains. No hotel with a number in its name; NO MOTELS. NO MOTEL 6, ECONO LODGE, DAYS INN, SUPER 8, KNIGHT'S INN, OR EQUIVALENT. Priceline is recommended (2 1/2 stars or better.) Once hotels are booked, please forward all hotel information as soon as possible to BluesPros Talent and vic91218@aol.com, as the band usually prefers to go to the hotel before loading into the venue. If finding a reputable hotel will be an issue, please make arrangements with BluesPros Talent Agency for a hotel buyout.

### LOAD IN / PARKING

- The band will require a parking spot right outside of wherever you would like them to load in. Please have a space reserved. In the instance that back-line is not provided, please have someone on hand to help the band move equipment and gear.
