

VICTOR WAINWRIGHT & The Train

2017 StagePlot

Please Run Cables Before the band arrives.

Drums: 4 tom's, one snare, kick, hats and overheard. Use mics you feel are appropriate.

Bass: Direct from back of bass amp head.

Guitar: 1 mic

Keyboard: Mono. If JBL is present, he will run his vocals into the JBL with a vocal split direct box. You will get a clean line from the direct box. One for vocals and one for keyboard.

Monitor Start: Vox spread for everyone. Each member gets some of everyone else's vocals. A tiny guitar in bass monitor. Kick for drummer, bass, and keyboard. A little bass for bass player. A little keyboards for everyone, more so for keyboard player. Lead Vox loud on keys.

Victor may or may not be onstage for soundcheck. Please ensure vocals are loud and crisp in his JBL and/or in house monitors and that his keyboard is coming through strong and loud through JBL and/or house monitors. Thank you!
