\*Your insights are needed and welcomed, and the board encourages you to meet with the most appropriate person.

\*"Public participation" is an opportunity during the business meeting to present brief comments or pose questions to the board for consideration or follow-up. Each person is asked to complete a "Request to Speak" form one week prior to the board meeting, and return it to the District Secretary. Each person is also asked to limit comments to five minutes. The boundaries are designed to help keep the meeting focused and in no way should limit conversations beyond the board meeting.
