*"We are connecting rigorous academic standards, meaningful assessments,
engaging learning opportunities, excellent educators, for the success of our students."*

May 22th, 2017

Dear Students, Staff, Parents, and Community,

As we complete another successful school year, I wanted to reach out to you and express my gratitude for your dedication to the success of our students. I am continually pleased to witness the extra effort applied to supporting our schools.

I'm looking forward to seeing many of you at the Senior's Awards Night this Wednesday, and also at Graduation on Saturday. There are several celebrations of learning happening this week. It's a bittersweet time of year.

On Thursday June 1st from 2:30-4:00 p.m. we will be hosting an architectural review of plans to design and build a school based health clinic. This presentation / discussion will be held in our board room located at 100 N. 6th St., Dolores. Please join us and participate in this exciting discussion.

Thank you all for your dedication to the success of our students. I wish you all a restful and fun filled summer!

Sincerely,

Scott Cooper, Ed.D.
Dolores School District Superintendent
Rural Education Council Representative
District Assessment Coordinator
