

What's in a Name?

We are seeking your input for a “Doing Business As” name that represents the scope and mission of our clinics. Help us find a name that demonstrates our commitment to providing integrated primary and behavioral health services to youth of all ages to support their success in the classroom and in life. This name will cover both the clinic at Southwest Open School as well as our new clinic on the Dolores School Campus, opening August 2018!

Your clinic. Your ideas.

Please submit Name suggestions by January 16, 2018.

Envelops can be found in all of the Dolores School Offices, at the Southwest Open School Main Office and in our current clinic on the Southwest Open School Campus.
