*"We are connecting rigorous academic standards, meaningful assessments,
engaging learning opportunities, excellent educators, for the success of our students."*

May 2nd, 2018

Dear Parents,

I am resigning my position as the Superintendent of the Dolores School District effective June 29th, 2018 pending the Mesa 51 School Board's approval of my contract later this month. We have accomplished a lot of great successes over the past seven years and I know that the Dolores Schools will continue to be successful in the future.

During the next couple of months, I will be assisting the School Board with the transition of superintendents to help make this work as smooth as possible. I hope to enable a peaceful transition that will not disrupt the high quality learning opportunities for your children.

I have appreciated your dedication and support of the students and staff over the years.

Sincerely,

Scott Cooper, Ed.D.
