(Corrections highlighted in Red)

- 5 Open out pressed edge of Quarter Compass and place right side down onto the right side of the Connector Triangle matching your pen marks. Sew 1/4" seam making sure to sew through matching pen marks. Sew all eight Quarter Compasses onto 45° Connector Triangles. **Press seam toward Connector Triangle.**

- 6 Next you will sew the Quarter Compass/Connector Triangle units together. Place units right sides together, matching pen markers. Sew 1/4" seam, stopping a few stitches past bottom Connector Triangle seam. Press this seam toward the Connector Triangle. Trim seam allowance to 1/4" if needed.

Illustrations in Step 6 have been slightly altered to better depict actual sewing steps.
