

'Vintage Series' Flower and Vine Correction
(Background Fabric Yardage Should be 5½ yds. instead of 4¾ yds.)

On page 2 of the pattern, the amount of 7½"x9½" rectangles should be listed at 20 instead of 4 (not sure how on earth I did this!). I have redone the layout on Page 2 for the Background fabric, making room for 20 of these rectangles. I have also changed the Background yardage on the back of the pattern from 4¾ yds. to 5½ yds.
