WELCOME

Welcome to the 54th annual Art on the Green, Idaho’s Premier Fine Art Festival, a marketplace, performance space and a gathering place for friends and families. Art on the Green is a highlight of summer in Coeur d’Alene. The festival brings together over 110 artists from 16 states, amazing musicians, and over 250 volunteers to celebrate art, music, family, and community. We are run by volunteers, with no paid staff. We are dedicated to the promotion of art and music in our community, and we return festival profits to artists in prizes and awards, and to our local schools, with art and music supplies. We invite you to enjoy tasty food, cold beverages, and festival treats while you join in the celebration of art, creativity and friendship at Art on the Green!
