wines of chateau musar

chateau musar was founded in 1930 by gaston hochar in bekaa valley of lebanon.

it wasn't until gaston's son serge took over the helm in 1959 that wines gained its notoriety.

after receiving recognition from michael broadbent at 1979 bristol wine fair, chateau musar

drew an international cult-like following ever since. owing to his inspiring determination

and passion for his wines, serge received an inaugural 'man of the year' from decanter

magazine in 1984, and is one of the most written-about and discussed wine today.

estate blanc are made from ancient lebanese grape varieties obaideh and merwah.

reputedly the ancestors of chardonnay and semillon. the vines are phylloxera-free

on their original roots, and its style is rich and intensely aromatic.

estate rouge are made with combination of cabernet sauvignon, carignan and cinsault.

wines are bottle aged for of 7 years before release, and are capable of prolonged aging.

wines of louis jadot

aim of louis jadot is to express the true nature of burgundy through its wines,

a terroir that can be both proud of its past and optimistic about its future.

louis jadot wines offer one of the greatest range, from grand cru to regional level

that truly speak of their places. these wines deliver tremendous value, and their ability

to age is second to none. i have often found myself pleasantly surprised by the juice

behind the iconic statue of bacchus. i hope you find the same today!
