ON CUE

Fall edition 2017

Coming soon! THE ROBIN HOOD CAPER

Four old people meet to report on their good works in the "Charities Anonymous Club" at the home of Flora Langley's nephew, a small town journalist in danger of losing his newspaper to the grafting Mayor. Flora and her three old friends are actually retired crooks who use their old modus operandi for charitable purposes. Through the plot there is woven an unusual love story, moments of satire, and show stopping situations of hilarity. The cast has been busy at work on this show, it promises to be a great one.

We welcome Susan Boardman back to the stage; you will remember her from her debut in "Too Soon for Daisies." Looks like that was a great prequel to her role in the current play! We also want to welcome Cal Caldron back to the theater. Cal was last seen on stage in 1993 and we are thrilled he has decided to jump back in! Joining the cast for the first time is Mandy Bassett, wife of Jarod Bassett. Why not make SAP a family affair?! Welcome Mandy; and to all of the "Robin Hood" cast, we say: "Break a leg!" Tickets go on sale October 30th. Can't wait to see you there!

Theatre fun fact:
The term **Off Broadway** isn't geographical. Broadway Theatres have 500 seats, Off-Broadway have 100-499 seats, Off-Off-Broadway theatres have less than 100 seats. Now you know!

PATRON MEMBERSHIP

You may have noticed that that this year the levels of patron membership have changed a bit with two levels increasing just a little. The levels have not changed in many years; we decided that a slight increase would enable the theater to keep up with expenses and keep bringing to our community excellent theater. The regular ticket price is unchanged however, and you will continue to enjoy a wonderful evening of theater for only ten dollars. We greatly appreciate you, our patrons, and are thankful for your continued support.

Check out our web site www.stonearchplayers.com for up-to-date information on performances, season information and auditions for upcoming shows.

Thanks to Mark Harpster for all the great work. WE CAN SEE!
