

2017 Mission Trip: July 1-8 Los Canos (*pronounced Lows Canyows*)

Pastor Bruno and wife Marcia

Background: Pastor Bruno and Marcia have been involved in LoveServes coaching program for more than 10 years. He is one of the pastors that has best applied LoveServes coaching and the principles and systems to reach the community. He was a pastor in Los Jovillos de Azua when we met him. In 2010 he was transferred to a small town called Los Caños de Maimón. He transferred the same vision of community outreach to that church which had never done anything outside their four walls. He used the same essential principles of a healthy church that he had learned from LoveServes. He equipped his new church to create ministries similar to those in Azua that meet the greatest needs in the community.

A Vision that brings hope to Los Canos

The Vision: The biggest need is lack of care, education and values for the children. So the church started an afterschool program for academic reinforcement and Christian education for 60 children. They long outgrew the building and this ministry is currently on hold because they need to complete the construction of the new facility. Los Caños church also repairs homes, maintains a water plant, ministers through Family counseling and helps people obtain proper documentation for civilian identity. These ministries help reinforce the vision to see the youngest generation emerge from the cycle of poverty.

Partnering with the local church to reach its community!

The Need: They are currently building a second floor to house the after-school program and a vocational school ministry.

Where YOU come in: LoveServes is partnering with this church to finish building the education center. This flourishing church has many ministries that you will have a part in: *Children's outreach, Women's ministry crafts; Home visitation and others.* Don't worry if construction is not your forte!

FAMILY FRIENDLY: Our trips are family friendly, with plenty of things kids can be a part of. Parents and their kids are encouraged to work, serve, play and pray together on this extraordinary family trip! So get your passports and plan on joining us this summer!
