

Horse Drive Gear List

All gear should be packed in a standard size, soft duffel bag with a sleeping bag is packed separately. Bring what you need to be comfortable but please try to limit the weight (suggestion: 35 pounds per duffel, including your sleeping bag or tent.) Please let us know ahead of time if you cannot bring a tent so that we can provide one. This is only a suggested gear list, you may add or subtract as you like!

- Sunscreen
- Chapstick
- Insect repellent
- Sunglasses
- Hat (with wide brim, ears will get burnt)
- Coat or jacket (suitable for cold nights)
- Sweatshirt, sweater or light jacket
- Rain gear or duster
- Comfortable boots for riding
- Two or three changes of clothing besides what you wear
- Long johns or other suitable apparel (more for comfort than warmth)
- Light gloves
- Tennis shoes (or comfortable shoes for around camp)
- Pocketknife
- Lighter or waterproof matches
- Small flashlight (gets really dark)
- Small tent (if available)
- Small pillow
- Air mattress or foam pad no thicker than 3 inches
