

BROADSIDE MERLOT

2013 MARGARITA VINEYARD

The 2013 Broadside Merlot follows in the same stylistic and winemaking direction as our Cabernet Sauvignon. We pick early to preserve freshness and acidity, while our focused viticulture ensures consistent, mature ripeness.

This unique site is well-suited for the Bordeaux varieties with well-drained soils and coastal climate influence producing wines of exceptional intensity, structure, and longevity.

Our 2013 Merlot is the product of an ideal growing season. Its rich red-fruit core supports layers of cedar box and minerals. Dry, with refreshing acidity, it's versatile at the table now and will reward those with patience and a cellar for years to come.
