## CABERNET SAUVIGNON 2014 PASO ROBLES

Broadside produces wines focused on purity and true varietal expression. Our winemaking favors a natural approach in that our wines are minimally handled to best express the grape, site, and vintage.

Our 2014 Paso Robles Cabernet Sauvignon highlights a beautiful vintage. A balanced growing season lent itself to producing impeccable fruit, not unlike 2013, with slightly greater intensity and concentration

A strong showing of cassis and classically Cabernet Sauvignon blue fruit precludes the more serious nature of the 2014. It's pure aromas swirl with black cherry and a subtle vanillin and cola oak-tinged spice. The palate follows with rich blackcurrant and plum notes wrapped in finely structured tannin and delicate acidity.
