

BROADSIDE PROPRIETARY RED

Broadside Cabernet Sauvignon is a yearly expression of that noble grape in Paso Robles' sun and soils. Printers Alley is its counterpoint, enabling our winemakers' instincts to explore the highlights of a given vintage to create the most enjoyable blend possible. To that end, we employ the same restrained techniques in the cellar, leaving fruit at the forefront in an approachable and user-friendly style. The 2014 utilizes small lots of Cabernet Sauvignon and Merlot, along with Petit Verdot to produce a youthfully fresh and easy drinking Bordeaux-inspired red. Enticing berry, plum and vanilla notes dominate the generous aromatics. Endowed with youthful vibrancy, its juicy, bright palate opens up to reveal layers of baking spice and cherry.
