

BROADSIDE

CABERNET SAUVIGNON 2015 PASO ROBLES

Broadside produces wines focused on purity and true varietal expression. Our winemaking favors a natural approach in that our wines are minimally handled to best express the grape, site, and vintage.

The 2015 Paso Robles Cabernet Sauvignon comes from a vintage marked by frost, wind, drought, and the resulting record low yields from our vineyards. So low, in fact, that we elected to use all of the fruit originally intended for our vineyard designate and *Ephemera* bottlings in this 2015 Paso Robles Cabernet.

Low yields of flavorful fruit, produced a serious, concentrated, yet still elegant Cabernet Sauvignon. Fresh boysenberry, peppercorn, and sweet tobacco notes highlight ample fruit in the nose, complemented by subtle notes of toasty oak vanillin and cigar box. Cassis, green olive, and fresh berry acidity greet the palate with an underlying current of fine tannin, coalescing in a dry, persistent finish.
