

BROADSIDE CABERNET SAUVIGNON

2016 MARGARITA VINEYARD

The Broadside Margarita Vineyard Cabernet Sauvignon is the result of our faithful effort to capture a pure and unadulterated representation of grape and site. With 1000 feet of elevation and a chilling coastal influence, the well-drained soils at Margarita Vineyard provide a balance of stress and sustenance to the rugged vines.

Their fruit is marked by small berries, concentrated flavors, and fine tannins. While generous and complex in its youth, this Cabernet Sauvignon is also graced with an underlying framework of subtle tannin and acidity that ensures a bright future in the cellar as well.

A classic vintage in Paso Robles, 2016 produced fruit with near ideal ripeness and intensity. Deep aromas of fresh red and black berries are underwoven by subtle notes of vanilla, cedar, and cassis.

That generous fruit fills the palate, while the natural acidity typical of Margarita Vineyard brightens the long, mouthwatering finish.
