

BROADSIDE

CABERNET SAUVIGNON

2016 PASO ROBLES

Broadside produces wines focused on purity and true varietal expression, highlighting the best that Paso Robles has to offer. To fully express our vineyards' unique microclimate and soil profiles, our winemaking favors a subtle approach to express the grape, site, and vintage.

2016 brought near-normal precipitation for the first time in years, following a substantial drought throughout California. Healthy soils and reinvigorated vines produced a balanced crop of flavorful fruit across all of our vineyard sources.

The 2016 Paso Robles Cabernet Sauvignon highlights the strong vintage with plenty of dark berry-focused fruit, earthy notes and toasty mocha/caramel oak.

Appellation - Paso Robles Santa Margartia Ranch, Estrella, and San Juan District AVAs

Maturation - 14 Months in French & American oak and stainless steel.
