5. Old and Unfinished Business.

A discussion of the desirability and value of funding the refurbishment of the two roof skylights in the Library building was held. Material used was a technical discussion prepared by Integrated Marketing Concepts INC. in which a measurement of the illumination under the skylights was 10-17% of the desired amount. The proposal by Harwood Construction INC to refurbish the skylights was priced at approximately $62,400. The Board was informed that approximately 15% is usually added to quoted amounts in order to cover overages (About $9,000). There was general agreement that all in the Library would gain from the increase in illumination provided by new skylights, and the Friends would be seen fulfilling it stated goals in aiding the community and library. A review of the Friends' ability to be able to bear the costs showed that it was thus able to do so.

   BA moved "That the Board approve to cover the costs of skylight replacement of $70,000.” Seconded.

   Vote: Unanimous in favor.

   Action: PS to inform the Senior Branch Librarian of the decision.

2. Website development -
PS explained the stage of development of the website: the name friendsdanpoint.org has been reserved and the annual subscription of $11.13 paid (the same name ending in .com and .net were also reserved and the dues paid), a website has been reserved on the host Squarespace and the annual subscription of $192 paid, application for mail address on Gmail has been made and all the officers and other functions will be able to use the ending @friendsdanapoint.org as official mail accounts, and an application for non-profit free use of Google-Apps has been made. However the future development of the site requires investment in the development and maintenance – Andrew Strauss (AKS will undertake this for a cost of $500 which is very competitive.

   BA moved: “That Board approve $500 to pay Andrew Strauss for the development of and the 2013
maintenance of the Website.” Seconded. Vote: Unanimous in favor.

**Action: PS will inform AKS of the decision and inform the Board on the development of the website at the June monthly Board meeting.**

**BA Move: “That Andrew Strauss be hired to print the Newsletters and letters to the members at the quoted costs” Seconded. Vote: Unanimous in favor.**

2. Database of volunteers – new developments for discussion

PS reported that a review of a folder of photocopies of mail vote envelopes of the 2012 Board election handed to him by the Librarian showed 146 individual and business names that were not on the database of members’ names in his possession. As he had found no direct list of dues that tied any name to the money deposited in the bank account and these additional names, he had drawn up a letter to send out to these names at their provided addresses. He shared the letter with the Board. The letter request confirmation of membership, the class of membership applied for and the date of payment of the dues and, if available, a photocopy of the check paying the dues. The letter requests return of the completed letter and a statement that failure to do so would place the person on the list of inactive members. The purpose of the letter is to ensure that the database of members is accurate and up-to-date.

**Action: PS will send out the letter by June 1, 2013 to all on the list.**
