2 Website:

www.friendsdanapoint.org will get you to all the information on the website. We post meeting agendas and minutes, the monthly financial statements, and will have an archives of the Association going up this year.

3. Sea Scribe

Three issues have gone out in the past 10 months. We plan to issue four editions every year. I would like to thank my son Andrew for bringing his superior professional skills to the type-setting of the newsletter. I receive a number of other friends newsletters. Ours is by far the best looking!
