Washington FFA Hall of Chapters Exhibition
Saturday of Convention, 8:00 a.m. – 1:00 p.m.

Exhibition Purpose
Exhibits will promote one’s chapter through a creative, professional display, develop pride for members from that chapter, as well as introduce nonresidents to the traditions of other chapters and expose to all expo attendees Washington’s agricultural diversity.

NOTE: This is an exhibition event, not an official state event, and your understanding of that is appreciated.

Some examples of what the exhibits might be designed to portray include:
- The range of SAE projects underway by chapter members; CDEs the chapter participates in; specific activities/events that are unique to the chapter;
- The crops popular in the chapter’s local area; new innovations in the chapter and/or community related to agriculture; specialty foods or products native to the chapter’s region;
- Environmental and conservation efforts in the chapter; community service efforts by the chapter;
- How FFA/agricultural education provides training to meet the needs of the agriculture industry in the chapter.

Location, Space & Equipment
The location for this year’s Hall of Chapters exhibits will be in Ensminger Pavilion. Booth assignments will be distributed at convention registration.

Rules & Guidelines
1. Exhibits must be original creations by the chapter and must be staffed by no more than 3 current chapter members at a given time. Official Dress is required.
2. Each chapter that registers by the deadline (April 1) will be provided a table (6 or 8 foot, depending on availability) for their display. Use of/access to a power source is not guaranteed so please make arrangements for self-sufficient power, if needed.
3. All activities should be confined to the limits of the exhibit booth – 8ft. x 8ft. Displays may not be placed in such a manner as to interfere with other exhibits. Signs and posters shall be confined to the booth. Sound components must be carefully used and will be regulated due to the acoustics of the venue. Selling is strictly prohibited.
4. Board of Health regulations must be followed. It is the responsibility of the chapter to review and follow any regulations related to food, etc.

Installation & Time Schedule
The Hall of Chapters exhibit will be held in conjunction with the Washington FFA Convention. All Hall of Chapters activities will occur on the Saturday of Convention.
- Exhibit Set-up: The display must be set-up between 8:00–9:00 a.m.
- Display Hours: The display must be staffed from 9:00 a.m.–Noon.
- Exhibit Tear-down: The display must be removed between Noon–1:00 p.m.
### Recognition & Scoring
Washington FFA Association, with the help of a panel of judges, will select the best Hall of Chapters display, based in part on creativity, general appeal, clarity and purpose, and how it represents the best of agriculture and FFA in your chapter. This recognition will be presented at the convention. Displays will be evaluated at any time between 9am-noon using the rubric provided below. The chapter that is ranked highest by the judges will be deemed the “winner” and will be invited to represent Washington FFA at the National FFA Convention Hall of States. Ties will be evaluated using points allocated via the rubric – only full or half-points will be considered.
