It shall consist of chartered chapters, which, in turn are composed of students enrolled in public secondary and post-secondary programs, and which shall be chartered only in such schools where recognized systematic instruction in agriculture education is offered under the provisions of the federal and state vocational education legislation.

**Section B:**[Chartering Clause] Students enrolled in agriculture education may meet, organize, adopt a constitution not in conflict with the Articles of Incorporation and Constitution and Bylaws of the Washington FFA Association, elect officers, set up a Program of Activities and then apply for a charter, after which, if such charter is approved, such members will be recognized as WAFFA. Chapter officers shall consist of at least a president, vice president, secretary, treasurer, reporter, and sentinel. The local teacher of agriculture education shall be the local advisor. The chapter officers of the local chapters shall be elected annually or semi-annually at a regular meeting of the local chapter. If a chapter has been chartered for two years or more, all chapter officers shall have attained the Chapter FFA Degree.

**Section C:** A local chapter shall be in good standing with the Washington FFA Association when the following general conditions have been met:

1. All current state and national dues, as well as the annual Events and Activities fee of $100.00 have been paid by December 1 of each year. State and national dues of new members from the spring supplemental roster have been paid by April 1 of each year. Chapters that fail to meet the deadlines for submission of membership rosters and payment of state and national dues and the Events and Activities fee may incur a $100 late fee for each infraction, not to exceed $200 per school year.

A report on all suspensions shall be presented to the delegates at the next succeeding state convention. In the event any local chapter is not in good standing with the state association at the time of the opening of a state convention, the delegates in state convention shall have the power, upon recommendation of the state governing body, to withdraw the chapter and refuse such charter official representation at the state convention. Upon meeting the requirements for good standing, a chapter may be reinstated by action of the Washington FFA Association Board of Directors, not earlier than ten days after the closing date of the state convention during which it was not in good standing.

In the event a local department of agriculture education which has a chartered chapter of FFA is discontinued, its chartered FFA chapter may be permitted to officially operate for a period not to exceed three years (36 months) from date of the discontinuance, providing proper supervision is given to the chapter by a person having the approval of the local school administrator and the state FFA advisor.
