

## He is Coming

D-G

We believe that Jesus died and  
rose again  
Then He ascended  
to the throne  
Reigning in victory

And we believe that his appearing  
will shake the earth  
Just like the lighting  
lights up the night  
So shall his glory be

G

Come Lord Jesus. Come. We wait for you.

We believe in his promise  
To judge the earth  
And claim the righteous  
On that day  
His justice rolls on like the sea

G - D - A - Bm7 G - D - A

Soon every tribe and tongue  
Will stand before His throne  
And cry out Holy is the One  
Who bled and died To take away our sin
