

PAYPAL RECIEPT # _____

Dear applicants,

All of the people involved with the Cenla Alliance for Animals (CAFA) are volunteers with full time jobs, families, pets, foster dogs, and a million emails and phone calls a day. Being thorough in the completion of this application, and asking any questions you have when submitting it, tremendously helps us reply to you faster and cuts down on our personal phone bills! CAFA would truly like to thank you for choosing to rescue and save a homeless animal!!

FAQ: Why is our adoption fee so high (\$100.00 cats)? You are not paying for a pet, you are simply reimbursing for part of the expenses CAFA incurred on the pet you are adopting. The cat has been fully vaccinated with 1- 2 sets of vaccines depending on age, spayed/neutered, rabies vaccinated, and micro-chipped. These are basics, many times we do x-rays, blood work, medications, and additional surgeries needed and none of this is covered by an adoption fee, not to mention the housing and feeding of your new companion.

Why a \$5.00 application fee? Because we want to make sure you are not wasting your time, we are not wasting our time, and it helps to recover a small bit of money spent on handling your application via office products, phone bills, etc...
