THREE WAY SCHOLARSHIP PLAN

Plan purpose: The 3-Way plan was created to provide financial assistance to students of Sunnydale Adventist Academy who have a demonstrated financial need. Your local church, Sunnydale Adventist Academy and the Iowa-Missouri Conference of SDA participate in the 3-Way Plan. The total amount of the scholarship is \$1,800 for a dormitory student and \$900 for a village student. Each of the above organizations contributes equally to the plan.

Who is eligible? Since your Church, Conference, and Sunnydale have limited resources and endeavor to be good stewards of the funds in-trusted to them, we ask that only families who demonstrate a financial need apply for assistance. For a student to be eligible the following criteria must be met:

- The application is filled out completely with accurate financial information.
- The church finance committee approves the submitted application.
- The parents meet their monthly financial commitment.

How are the funds applied? The funds are applied as credit to the student's account at the end of each semester if the parent/guardian has met their financial agreement plan.

Application procedure.

1. Complete the application. If you need assistance please call SAA.
Be sure to include a copy of the parent's/guardian's 1040 tax form pages 1 & 2.
2. Submit the application to your local church finance committee or church board.
3. The local church pastor and clerk should sign the Church Approval portion of the application.
Then mail the application and a check for the church portion to the SAA business office.

Plan Limitation. Parents or other immediate family cannot contribute to the local church for this or any other scholarship plan and designate that it go to a particular student. Funding for this program should be through a general church "Worthy Student Fund" with the proceeds being voted out for individual students by either the Church Board or Church Finance Committee.
