

Gabe Wax

Producer/Mixer/Engineer

Working alongside producer Nicolas Vernhes for the past 3 years, Gabe Wax has had a hand in some of the most critically acclaimed albums of the past decade; from Cass McCombs to Deerhunter, The War On Drugs to Wye Oak. He is now proving himself to be one of the most exciting upcoming producers in his own right, working with breakout artists such as Speedy Ortiz, Palehound, Here We Go Magic and producing the most recent album, 'No No No' from Beirut.
