

Authorization for Electronic Debit

With this service, you can have your ministry contribution deducted directly from the bank account of your choice. You can enroll at any time, change your designated gift at any time, and cancel your participation at any time. The program is both convenient and safe—all electronic payments are federally regulated for your

protection. To participate, submit this form to the Community Chapel Treasurer or place it in the offering plate which authorizes the church to debit your checking or savings account at the frequency and for the amount you choose. There are no charges for this service, and only the amount you state will be withdrawn from your account, to be distributed as indicated below. This authority is to remain in full effect until The Community Chapel has received written notification from the authorized giver.
