**ALCOHOL AND DRUG-FREE AGREEMENT**

Student Name: _____	DOB: _____	Grade: _____
Last	First	Middle

The Mississippi School for Mathematics and Science is an alcohol, tobacco, and drug-free environment. The administration, faculty, staff, and student body are responsible for ensuring that our campus is free of these substances for the support of a strong academic and residential learning environment. Abuse of these substances presents a threat to the health and safety of all members of the MSMS family.

Parents and students are responsible for becoming familiar with all the substance abuse policies in the handbook, and students are expected to comply with all policies related to substance abuse. Students are not permitted to distribute, use, promote, buy, or be in possession of alcohol, tobacco, or legal or illegal drugs that are used to alter the state of mind in students. This includes any natural herbs, seeds, or plants. Alcohol, tobacco, or drug paraphernalia (e.g., rolling papers, bongs, roach clips, pipes, electronic cigarettes, vaporizers, lighters, matches, empty alcohol containers, hypodermic needles, etc.) are also prohibited. Additionally, abuse of any drug, whether prescription or non-prescription, is not tolerated by MSMS. Students found to be in violation of this policy will be subject to severe disciplinary response.

Students who choose to participate in alcohol, tobacco, and/or inappropriate drug activity will be in violation of school policies (Level III offenses) and possibly state law. Any purchase, use, possession, distribution, or other involvement with these substances and/or paraphernalia will result in suspension and (per policy) a recommendation of dismissal from school. Violation of the law may result in prosecution and punishment by the civil authorities as well as disciplinary proceedings by MSMS.
