## MISSISSIPPI SCHOOL FOR MATHEMATICS AND SCIENCE

### MSMS DRESS INFORMATION FORM

On occasion, there are events that require students to wear a higher standard of dress. This standard, referred to as "MSMS Dress," consists of a navy polo shirt, khaki pants, and shoes other than tennis shoes or sandals. MSMS offers a navy polo personalized with a white school logo and "The Mississippi School for Mathematics and Science" for those students who wish to purchase a personalized shirt.

Students who would like to purchase an MSMS polo should complete the order form at the bottom of this page and return it with a check or money order made payable to MSMS. Payment is due by Wednesday, June 7. The shirts will be distributed during Fall Orientation.
