MIRACLES – "Water to Wine"
PREACHER – JON TALBOTT
SCRIPTURE REFERENCE – John 2:1-11

SERMON SUMMARY TWEET
Miracles happen around us daily. We need to craft our lives in a way to see them and give God the glory for His work.

PITFALLS
*Skepticism
We live in a skeptical world, and we have to guard against our skeptical natures, which can keep us from recognizing God's work.
*Disappointment
We have all prayed for God to intervene at different times, and we've all had times that He's not answered either the way we desired or at all. We have to be careful not to let those disappointments keep us from going to Him with our cares and concerns.

STORY
John 2:1-11

LESSONS
*Jesus cares about the big stuff
Time after time, throughout all of Scripture, we see God working in the BIG STUFF. Whether it was speaking the world into existence or providing for His people.
*Jesus cares about the small stuff
Our story today shows that He's just as concerned about the small stuff in our lives, stuff that might only be pertinent to us.

PURPOSE
John was very clear in the purpose of Jesus' miracle here at Cana:
*To Reveal His Glory
*To Bring about Belief
