BAHAR accent tile 20 x 10cm

BAHAR accent tile

Bahar means 'spring' - a woman's name as well as the season of flowers. Our Bahar accent tile is a celebration of lively flowers, red Anatolian tulips and blue carnations - both Ottoman symbols - and ribbon-like leaves in spring green and Turkish turquoise.

Accent tiles do not create repeating designs, and are excellent as accents in kitchen backsplashes, interspersed on bathroom walls, etc.

Handmade in Turkey

Underglazed, hand painted ceramic tiles

Iznik tiles are one of the most recognizable of all Ottoman arts. The iconic tiles are named after their production center in Iznik - ancient Nicaea, of the Nicaean Code - which lies on the eastern shore of the Marmara Sea.

The height of Iznik tiles in both design and technique was the 16th century, during the height of the Ottoman Empire. Our handmade tiles maintain this artistic legacy and support contemporary artisans in Turkey.

Iznik tiles are for wall and accent use. Suitable for use in wet areas such as bathrooms and kitchens. Not for use as flooring. Small cracks in the glaze, minor variations in color, and small slips of the brush are hallmarks of the process and are not flaws.

Tiles are made to order and ship directly from Turkey
Please note tiles are produced in centimeters.
