

Guidelines for FBM Camp Scholarships

Our desire as a ministry is to allow every child and student the opportunity to participate in camp. We realize that finances are often the main reason children and students may not participate, but we never want financial struggle to be the reason a child or student does not attend camp. To help us appropriate the scholarship money we have been given, we have set up guidelines to help us best use this money. Please take time to read through the guidelines, fill out the application on the back side of this paper, and turn it into the Children's/Student Ministry. Thank you for helping us get a better understanding of your need so we can most effectively help you.

- Before requesting a camp scholarship, your child or student must be registered online for the appropriate camp.
- We offer partial scholarships.
- **With every scholarship offered, we ask the payment of the camp's registration fee. (Kid City Camp \$75, Student CAMP \$20)**
- We offer a payment plan if it would help you pay for the event (even if it extends past the time of the event).
