artist Kodo Kiyooka

prod no	Category	Prod name	dimension	Weight	Price
KK01	Sabiyuh	Soup mug	3.5"D 2.25"H	7oz	\$60

This mug's extremely thin rim feels nice to drink from. Sabiyuh* typically becomes smoother after years of use. Enjoy the changing character!

KK02	Sabiyuh	Coffee pot	6.75"W(w handle) 4.5"H	1lb1oz	\$210
------	---------	------------	------------------------	--------	-------

Kiyooka's signature Sabiyuh* style Coffee pot

KK03	Sabiyuh	Kakewake Kakute Mug	3.5" 2.75"H	7oz	\$64
------	---------	---------------------	-------------	-----	------

This mug is finished smooth inside with a matte Sabiyuh* glaze on the outside. It's square handle fits very nicely in your hand, and the Kiyooka's thin rim is designed to feel great when you drink from it.

***Sabiyuh** (brown or rust colored glaze) is a straw ash glaze that brings out the iron in the clay. This glaze appeared around Kamakura era (1192-1333) as a matte accent and became more common in Muromachi era, which followed. It eventually evolved into many different kinds of glaze. Sabiyuh typically becomes glossier after years of use. Enjoy the changing character!

Pricing

KK04	Aohai	Flat bowl	7.5"D 1.75"H	14oz	\$68
------	-------	-----------	--------------	------	------

Beautiful landscape of Aohai glaze.

** **Aohai** is literally blue ash, using a mixture of the Isunoki plant's ash and minerals. Isunoki is a common ingredient in Shigaraki region. Kiyooka's original blend produces beautiful pale blue.

KK05	Olive	Cafe bowl	4.5"D 3"H	8oz	\$64
------	-------	-----------	-----------	-----	------

Olive green luster on the outside and matte off white inside make a beautiful contrast. Great for cafe au lait and soups.

*** **Olive** is a variation of the Aohai series that uses a mixture of ash from the Isunoki plant and minerals. Isunoki is a common ingredient in Shigaraki region. In order to produce glossy olive green, Kiyooka fires at higher temperature than Aohai.

KK06	Sabiyuh	Kakewake bowl	5.5"D 2.25"H	7.5oz	\$64
------	---------	---------------	--------------	-------	------

The beautiful brown to green glaze inside this bowl provides a really nice contrast with the rich Sabiyuh* glaze on the outside.

KK07	Heat resistant	Frying pan (small)	5.4"D 1.4"H 9"(w handle)L	13.5oz	\$75
------	----------------	--------------------	---------------------------	--------	------

This product can safely be heated on the stove top or in the oven. There are two larger sizes available upon request. Food bakes up crispy outside and moist inside. Then you can bring it straight to the table!
