

To all Greater Cincinnati Area Handball Players:

On September 12, the University of Cincinnati's Bearcat Football Team begins its 2014 season at Paul Brown Stadium (PBS) against the University of Toledo. The UC Bearcats are favored to win the new American Athletic Conference (AAC) Championship, and are one of the top five teams, outside the 5 power conferences, that have an opportunity to win a national BCS Bowl bid.

Last season, first year Coach Tommy Tuberville was able to lead the team to a 9-4 finish, despite a rash of injuries including the loss of the starting quarterback, most of the offensive line, and key defensive players. This season the team has had a year to adjust to their new coaches; in addition to having one of the top groups of receivers in the country, the nation's 2013 top rated high school quarterback, and a number of defensive and offensive players being considered for national awards.

Home games for the 2014 UC Bearcat Football Team will be played at PBS, while the university's Nippert Stadium completes an eighty million dollar renovation, and will be available for the 2015 season. As a special incentive to new season ticket holders, the university and UCATS are offering six-game season tickets for only \$99.

For the 2013 season, the GCHA partnered with UCATS to put on the first GCHA Tailgating Party (please look on the GCHA website for pictures from the event). This season UCATS would like to invite all handball players, along with their friends and family, to join UC fans in cheering the team on to victory and a possible National BCS Bowl bid. Handball players will have their own section in the stadium and receive the special price of \$99 – that's only \$16.50 per game. Also, the fifth person to place an order will receive two club tickets for one of the season home games.
