

Handball is a Family Affair

Pictured are the fourteen members of the “handball family” who participated in the December 12th 2015 round robin at the Athletic Club at Waycross in Cincinnati. Front row: Philip Wolke, Bill Doud, Ralph Weil. Center row; John Love, George LeHocky, Denis Hogan, Jesse Krailler, Jim Krailler, John Allen. Top row: Brett Abbott, Bob Sheaf, Roger McFarlane, Bob Burkitt, Kyle Bradley.

Each team played six games of eleven points which took about two hours. We found out that a lead of a few points in an eleven point game is very hard to overcome and the next time we will have fifteen point games. This will take a little longer but we have nothing better to do than play handball.

Beth Baker prepared the lunch which was furnished by the Greater Cincinnati Handball Association. A good time was certain for all and just in case you were wondering; the winners were John Allen and adopted dad Ralph Weil.
