

“Bye-Bye Back Wall” Tournament

Saturday April 30th, 2016

The Athletic Club @ Waycross

Eleven hardy handball players came out for the fun and games at Waycross for the doubles tournament. Scott Walker won and the Tournament Director Mike Reilly came in second. Even the TD could not change the outcome. (His partners let him down.) Scott now has a free entry into the next tournament as first place winner. (A scoring recount has placed Johnny Walker in first place. He had Scott as a partner in the first round and Mike in the second round.)

The format was assigned partners and play eleven point games. Seems like too few points until after about six games and then it seems like too many. After the first round, partners were changed and we played once more.

Lunch was ready at noon and you can see in the picture hamburgers, brats, potato salad, and all the fixings. Beth Baker set up the lunch and Paul Baker cooked the meat. The lunch was sponsored by the Greater Cincinnati handball Association.

In the picture from the back, left to right: Mike Reilly, Roger McFarland, Mike Ogden, Johnny Walker, Jon Allen, John Allen. Front row: Bob Sheaf, Ralph Weil, Scott Walker, Jamie Becham, and on the floor Dave Laxton.

The next event will be **Wallball** playing the small ball game with the big ball. May 14th at Waycross. New players are welcome to try the “easier on the hands” big ball game of handball. Same rules as small ball.
