

Number of Women Served by the LBCHP's Breast Cancer Screening Program by Zip Code

FY 2014

*The remaining race and ethnicity of women were other, mixed, or unknown.

Source: LBCHP database, March 2015.

Note: The map reflects residential address of women receiving a breast cancer screening or diagnostic procedure paid with LBCHP funds between July 1, 2013 and June 30, 2014. Women with Post Office box addresses are excluded, ~3%.
