

Organization: TAIT Design Co.

Website: <http://www.taitdesignco.com>

Location: Jefferson-Chalmers, Detroit, MI

Sector: Product Design

Position: Production Assistant (Contract)

Position Type: 4 hr/day, 2 days/week

Description:

TAIT Design Co. is a product design company and manufacturer that specializes in toys and gifts. Located in the Jefferson Chalmers neighborhood, we make balsa model airplane kits, yoyos, perpetual calendars, kites, and other goodies that explore the importance of participation and play. The TAIT Design Co. team is comprised of a small team of two friendly and hardworking individuals.

Position Summary:

Our products are made with materials sourced from around the US and the final assembly happens in our Detroit studio. The production assistant position involves assisting the team in this vital finishing portion of production. The primary responsibility of this role is to aid in assembling DIY toy kits. Other tasks include the potential to be trained to operate a laser cutter and other wood working tools.

Competencies:

- Ability to work well as a part of a team
- Must be detail-oriented and have good judgment
- Must exhibit a degree of maturity, diplomacy and composure
- Strong interpersonal communication skills
- Friendly demeanor and good attitude

Work Environment/Terms:

Our studio is in a space with two other friendly small maker businesses. This is an opportunity to meet local creatives and contribute to a fast-growing company. An interest in art and design is helpful - please mention if this applies to you. Inside the studio, casual attire is recommended and close-toed shoes must be worn at all times. This is a part-time contract position starting at \$9/hour.

Application Instructions:

Please send cover letter, resume and all inquiries to contact@taitdesignco.com with "Production Assistant" in the subject line. We look forward to hearing from you!
