Design a T-shirt for the Tennessee River Rescue

\$50 for first place!!

We are looking for a creative design for the annual Tennessee River Rescue. We give out free T-shirts to the first 800 participants. Your shirt will be worn by hundreds of people! The design should appeal to all ages. We are looking for a design that adults do not mind wearing. Here's the info:

- The Tennessee River Rescue is a community wide river clean-up that hundreds of people help with every year.
- You can use three colors and black or dark blue for the lettering.
- We use a nice quality shirt often white, but we can use a light color.
- A scene of the river or an aquatic animal has been used. Some examples could be: turtle, heron, kingfisher, frog, etc.
- "Tennessee River Rescue " should be same style font as letterhead above.
- On the back of the shirt, we list our sponsors under the phrase " We're involved!" (We can design the back)
- Designers name will be on the shirt!
