Master of Pardons

Master of pardons
Examiner of hearts
Revealer of depths
Speaker of justice

We have gone astray before You,
be compassionate to us

Glorious in wonders
Great in consolations
Remembering our ancestors’ covenant
Fathoming our depths

We have gone astray…

Full of deeds
Awesome in praise
Pardoner of sins
One that answers at times of trouble

We have gone astray…

Cause of liberation
Seer of things to come
Caller of generations
Rider of the expanses
Hearer of prayers
Source of awareness

We have gone astray…
