Please make note of the 2014 pre-camp and band camp dates when planning vacation for the summer. **All** high school band and guard members are required to attend camp. The band and guard members will learn the marching band show and music during this time.

Also, beginning in August up until the first day of school there will be half day rehearsals (3 days a week). More information about these rehearsal dates will be posted on our website's google calendar in the next month.
