**APPRECIATED SECURITIES**

One of the most **tax-efficient** ways to give is by donating appreciated securities to The Project. By gifting appreciated securities you receive an **immediate tax deduction** for the full market value of the stock and **avoid the capital gains tax** you would owe by cashing in the securities. If you would like to make a donation of appreciated securities, please mark this (above) on the enclosed pledge card and someone will contact you.
