OcuSci™
Focused on Eye Health

Ultra Dry Eye TG™ with Lutein & D3

- 2,036 mg Omega-3
- 100 mg Omega-7
- 10 mg Lutein & 1,500 IU D3
- **No Fish Burps, No Fishy Aftertaste!**
- Re-esterified Triglyceride Molecule

A Dietary Supplement
180 Softgels

Easy to Swallow
1,000 mg Softgels

Wild Caught in Alaska!

Ultra Dry Eye TG features OmegaTG-3™, in the re-esterified (rTG) triglyceride form clinically shown to have superior bio-absorption to other Omega-3 forms: 382% better than krill, 70% better than ethyl ester fish oil.^{2,6}

- 70% of patients with Dry Eye Syndrome were asymptomatic after taking rTG omega-3 supplements for 8 weeks.¹
- Research shows that the consumption of Lutein reduces the risk of developing Macular Degeneration and Nuclear Cataracts by 57% and 36% respectively.^{3,4}
- 42% of Americans are deficient in Vitamin D, women with the highest levels of vitamin D had a 59% decreased risk of developing Macular Degeneration.⁵
- Supportive research shows Omega-7 may help: lipid profiles, chronic inflammation and Dry Eye Disease.*
- Certified free of heavy metals, PCB's, Dioxins and other contaminants, www.OcuSci.com

Warning: Keep out of reach of children under the age of 3. Store in a cool and dry place. Do not exceed the recommended dosage if pregnant or nursing, taking blood thinning medications, or scheduled for surgery, consult your physician prior to use. May have been manufactured on lines that also produce products containing soy.
