Super Charge a Paper Airplane

Materials
- Paper
- Rubber Band
- Hole Punch

Step 1: Fold a Plane!
Any paper airplane will work! Here is one of our favorites!

1. Make the base
2. Fold down the wings
3. Fold down the side flaps

Step 2: Add the Rubber Band Power!
- Punch a hole
- Put the band through
- Loop the band through itself

Step 3: Launch the Plane!
- Pull back!
- Make a target!
- and let fly!
