PERMISSION SLIPS AND COSTUME DEPOSITS ARE DUE December 1st!

All dancers who plan to participate in the 2015-16 Spring Performance must return their permission slips with their costume deposits to the desk by **December 1st!**

Your permission slip was mailed to you in October. If you have not received one or you have misplaced yours, please pick up another at the front desk.

If we do not receive your permission slips and deposit by December 1st, we will have to assume you do not wish to perform this year.

We realize December 1st seems early but the earlier we are able to order costumes the more money we will save by avoiding rush-order costs. Please help out and get those deposits in so we can order costumes ASAP!

SPRING PERFORMANCE PLANS

Plans for the Spring Performance have begun! We have chosen

“Steppin’ Into Your Ipod”

for our theme this year and all the teachers have chosen their music and are developing choreography to fit the theme. Dancers will begin working on their dances in late January.

Snow Reminder

Winter and snow are on their way! Our policy for weather cancellations is that if the Madison schools close so will the studio. If the Monona Grove, McFarland, or other surrounding schools close, or if the weather turns nasty in the afternoon, or if we wake up buried on Saturday morning, please call the studio or check our website’s News page or Social media before heading out. A weather related message will have been recorded and posted for your convenience.

For those of you who wish to receive a text message, please sign up for our Remind 101 account. Information is at the end of this newsletter.

We do understand that in some weather people may not feel comfortable driving. If you feel that you cannot drive on a snowy night and we are still open, you may stay home and make up the missed class on a future date. Our basic philosophy is that we want our families to remain safe, but realize that we do live in Wisconsin and snow should be expected from time to time.

Holiday Show News...

Some of our students will be performing in local Holiday Shows!

We have multiple students who are participating in Madison Ballet’s Nutcracker. We are very excited for them.

We hope all of our students participating in a local Holiday performance enjoy their experience and we hope many of you go to support the local arts!!

Spring DancerGarten Session

February 26 – April 22, 2016

Calling all boys and girls 2 to 4 years old who love to move! DancerGarten will foster the physical and cognitive development of each child through music, dance, props, rhymes and stories. Our program will capture your child’s attention while providing them with basic dance and gymnastic concepts. There will be no classes the week of March 25th due to Spring Break.

Class will be offered on Friday 10-10:45 am with Miss Sara.

Contact our front desk staff for more information!!

To make our waiting room experience pleasant for all, please...

Refrain from talking loudly on your cell phones in our waiting areas.

Do not use the waiting room to store your child’s clothing, shoes, coats, etc. We have both girls’ and boys’ dressing rooms with ample room to store all of these items. By using the benches and chairs to store these items, you take limited seating away from other parents. We have coat racks near the front door as well.

Remember to keep an eye on your children. Our teachers and desk staff have many responsibilities throughout the night to keep our studio running smoothly. We do not have time to keep tabs on your children. Please bring toys or books to keep them entertained and always know where they are.

Also, please do not use the bathrooms as a dressing room. We only have two bathrooms for the entire studio so we need them as bathrooms. The dressing rooms are for changing. Thank you.
