

## Dance Merchandise Pre-Order Sale

Since we are not stocking as many items, it often takes 1-2 weeks for us to get merchandise needed. Take advantage of our Pre-Order Sale and save not only money but take out the hassle of dealing with wait times and crowds.

**Orders are due August 12<sup>th</sup>** and must be paid in full in order to have the merchandise for the start date of classes.

We will still be selling merchandise if you do not wish to pre-order. Please see our full list enclosed with this order form for pictures, pricing and extra color options.

All pre-orders are subject to our return policy, which states we will do exchanges or returns for in house credit only. Shoes must be not be worn in order to return.

We are not a dance clothing store and only offer clothing as a convenience for our families. If you want more of a variety, you will need to go to an actual dance clothing store or shop online.

**The more you buy the more you save! 2 items = 5% off; 3 items = 10% off; 4 items = 15% off; 5+ items = 20% off**
